

- **The Law and your Powers**
- **Prohibited Items and where they may be Concealed**
- **Health and Safety Issues**
- **Screening and Searching Techniques**

Overview

The aim of this course is to train your staff to search people, their clothing and hand baggage. It covers the screening of people using metal detection equipment and the detailed physical searching of people. With an emphasis on customer care your staff will learn how to carry out searches in a correct, thorough, systematic, safe and legal manner.

Course Duration

This is a 3 -4 hour course suitable for a morning or afternoon session.

Who should attend?

Members of staff who may be called upon to search employees or members of the public as part of entrance conditions for hidden, concealed or prohibited items.

No previous knowledge or experience is required.

Training at your premises

We are flexible where the course is delivered and will accommodate out of hours and weekend training for groups of 6 + at no extra cost.

The Course
